

April 2022

From the Office of the Chief Operating Officer

Spring has officially arrived!! Despite the recent snow and cold weather, mixed in with sunny days I can feel positive change coming our way. I look with anticipation to green grass, budding trees, blooming flowers, warmer air, and an overall sense of renewed energy. Here at St. Andrews Centre, we think a lot about transition and transformation. The fundamental basics of our work is constantly aligned with our organizational vision to be a “model for premium homes that support seniors”. I talk a lot about our vision, mission, and values as this is the heart of our work in service to our seniors.

I see our residents, their loved ones, and visitors as equals partners in our goals and achievements. Within us all we have shown great strength, dignity, and capacity for adaptation over the last 2 years. Our entire organizational purpose is to empower residents to have a fulfilled, balanced, enhanced quality of life with a sense of growth and purpose within our community. Providing opportunities and supports to our Seniors is essential to our success in our community and personifies community action and collective efforts.

Our quality improvement is an ongoing objective for our organization and so is expanding our reach to the internal and external community. One of our strategic visions is to provide a wide range of service and social options to better serve our population. Our recent resident survey results indicate that over 99% of our residents are satisfied living at St. Andrews Centre. All service departments ranked 96% or higher in relation to customer satisfaction and responsiveness. 94.5% of residents answered that they are aware of when and where recreational activities are happening and 88% of our residents are satisfied with the programming available. We welcome your ideas and questions as we move forward into our shared future together. Copies of the survey results are available outside of the main office.

I wish to extend my sincere appreciation to all residents who joined the resident forum on March 23, 2022. This was the first administrative event in which we could join in a time of Centre updates, education, and fellowship without any barriers to residents. We had a fabulous turnout of over 120 residents in attendance. I find this a valuable venue to communicate information and answer resident questions in our community.

As Easter approaches it feels like the ultimate time of renewal. Whether you are looking forward to spending time with family and friends, worshipping at church or decorating eggs with little ones, take time to embrace the season. I hope you honor your holiday traditions in their truest spirit.

On behalf of myself and all the St. Andrews Centre staff we wish you Easter blessings.

Warm Regards,

Wanda

CURRENT CONDITIONS

COVID-19 PANDEMIC
Congregate Living Centers

St. Andrew's Centre continues to operate in accordance with health measures prescribed by the Chief Medical Officer of Health (CMOH), for Alberta.

★ Please note that the March 1st lifting of indoor masking requirements for the public **DOES NOT APPLY TO OUR CENTRE.** All visitors, staff, service workers, etc. will still be required to wear a medical mask provided to them at our Health Assessment Desk.

RESIDENT POLICIES

- ✓ **If you are feeling unwell, please STAY IN YOUR SUITE and telephone the Main Office @ 780-452-4444 so that we may provide you with the necessary information and instructions to ensure our community stays as safe as possible.**
- ✓ **Please be reminded that you must stay in your suite until all symptoms are resolved.** The Garden Café can arrange meal deliveries, if needed. The Hospitality Department can assist with garbage disposal, if needed. Additionally, residents must wear a mask continuously outside of their personal suites for a period of 5 days following their isolation period.
- ✓ **Residents who are absent for more than 24 hours,** regardless of their immunization status, are required to actively screen daily for symptoms of COVID-19 and wear a surgical/procedure mask when outside of their room, except when eating or drinking, **for 14 days post-return.** Resident screening checklists and appropriate masks are available from the Main Office and the health assessment desk in our front lobby.

RESIDENTS are encouraged to wear masks in the common areas of the Centre and continue good hand hygiene.

VISITOR POLICIES

- ✓ ALL visitors to the Centre must enter the building through the Main Door to be screened at the Health Assessment Desk (Front Lobby) and to sign in.
- ✓ ALL visiting persons must wear a surgical/procedure mask while in our facility, even in RESIDENT SUITES, unless a resident has communication challenges where a mask would inhibit interacting. In which case, the resident and visiting persons should maintain a distance of two (2) meters from each other.
- ✓ Anyone who is a close contact of someone who has tested positive for COVID, will **not be allowed entry into our facility** (within 14 days of last exposure) regardless of vaccination status. This is a directive that was made by the CMOH in mid-December.
- ✓ Guests of residents are now permitted to visit and eat in The Garden Café and common areas of the Center without providing proof of vaccination. Staff will no longer be scanning "QR" codes.

★ **However, we will OPEN to the public at this time, following the above protocol, for general meal service (parishioners, etc.) and booked funeral receptions, etc.**

SUSAN'S NEWS

Happy Spring Everyone!

Koi Pond: Thank you to the volunteers for feeding the koi fish and being a watchful eye. The koi have become braver since we started feeding them twice daily. You will often see them swimming about or napping on the bottom of the pond.

Atrium:

Things are constant in most of the atrium as we anticipate the arrival of our easter flowers. The big conversation recently has been over the large Rubber tree that is now resting in its new preferred position. With collaboration between the arborist and carpenter, we are creating a support/sling system for the tree that will allow it to grow in its natural position. Over the next few months, we will see this area change and fill in. For the larger trees, we have started a long-term plan to ensure safety to residents and the facility as they continue to grow.

Tower Gardens:

Due to health and safety, please do not pick from the towers. A volunteer is now harvesting on Tuesdays by noon and the produce is available for you in the Pink Room (TV room) fridge. Thank you.

Gardening Corner:

Gardeners wanting to grow tomatoes will be able to come plant seeds and supplies will be provided. Get ready to get your hands dirty. There will be a gardener meeting the beginning of May. **All details, days & times, will be posted on the gardening board by the laundry room.** Current gardeners will be contacted to see who is continuing this year and after that anyone on the wait list will be assigned available boxes. Wait list sheet is at the front office.

Save your eggshells, orange peels, coffee grinds and banana peels. You can freeze these items for now if you wish.

An update on seeds:

We have very little for seeds, other than tomato seeds, as many packages that were previously donated were 4 and even 5 years old. It was a struggle for many gardeners last year. Fellow gardeners can buy their own packages and share with each other or donate them to be distributed throughout the gardening community.

*Did you know?: We can in fact smell summer rain coming.
Weather patterns produce distinctive odors that sensitive noses sniff out.*

3. Attendance: Wanda (COO), Patricia (ADMIN - minute taker), Joan B., Sr. Collins., Helen D., Louise F. Dolores H., Linda H., Fran J., Sharon L., Patti P., Gail R., Dolores S., and Karin V. Absent: Pat S., and Gerry C.

4. Reading/Acceptance of minutes from last meeting

1st Louise F.

2nd Dolores H.

****Please note that meeting minutes are issued in the monthly newsletter****

Changes to minutes: there were no changes made to the minutes.

5. Additions to the Agenda to add under new business, accept Agenda

1st Linda H.

2nd Gail R.

6. Business arising from the last meeting/old business:

There were no outstanding matters from the previous meeting.

7. Standing Agenda Items:

7.1 – Food Service:

- Meal Menus: a recommendation from the suggestion box was to have the monthly menus printed and posted on a bulletin board. The Centre has created a board for this purpose next to the Resident Community Committee information (old Health and wellness board). Special events will also be advertised on this board.
- Brunch Price for Children: Brunch prices will vary depending on what is being served. For children 10 and under, it has been decided that they will “pay their age” at all brunches/buffets. (e.g. 3 years old will pay \$3, 10 years old will pay \$10, etc.). Children over 10 years old will pay the full price.

7.2 – Maintenance/Housekeeping: Residents must be aware that if they request the support and/or service of Housekeeping and/or Maintenance staff that tenants should be appropriately dressed (or covered – for example wearing a robe) upon arrival of the staff. Staff reserve the right to refuse to enter a suite until a resident is appropriately covered.

- A complaint was brought to the meeting regarding the cleanliness of the floor in the 4th floor west hallway. This will be brought to hospitality’s attention. Please report all concerns regarding the cleanliness of the building to Tess as soon as possible to have it rectified.

7.3 – Social/Leisure Activities:

- Games Room Tables: a complaint was made regarding the tables that are in the Games Room as playing cards have the tendency to fall through the slits on the tabletop. These tables are meant for the outdoor patios and have been brought in for winter. The Centre is looking into purchasing nicer tables for the Games Room.
- Chess/Checkers Table in the Sun Room: the chess/checkers table that is currently in the Sun Room will be moved into the Games Room once there is space for it. Playing pieces for this table can be found in the Games Room closet.
- Residents’ Association Casino: the bus will now be arriving at **9:45 am**.

- Hydroponic Tower: a comment was left in the suggestion box regarding the lack of availability of harvested greens from the hydroponic towers. Produce from the towers are harvested and stored in bags that are placed in the Community Cupboard fridge. Please be mindful of the amount that you are taking at a time so that it may be shared with other residents. For specific concerns, or if you are unable to get a bag of produce for yourself, please see Susan or Wanda.
- New Garden Centre: the former Exercise Room by the Pink Room will be converted into the new Garden Centre. Susan will be using this space to set up her grow lights, tomato starters, etc. Please note that seeds may not be available to residents this coming gardening season. Due to COVID-19, the organizations who typically donate seeds to our residents are unable to due to the lack of donations and supplies they have received.

7.4 – Security:

- 24/7 Security: A question was raised regarding 24/7 security at the Centre after COVID restrictions are fully lifted. We are currently working on a 24/7 schedule for security once the health assessment check in for all visitors and contractors is no longer required. However, a major set back to this plan is the residents' request for the resident greeting position to be returned. It is unclear how we may have both a security staff and a resident sitting in the front lobby. Management is currently working on a solution.
- The atrium sliding doors will remain locked even after restrictions are lifted.

8. New Business (suggestion box/Committee concerns/emails):

Suggestion Box:

8.1- Resident Cats: cats and other pets must stay in their resident's suite unless they are leaving the building and must be transported in a carrier. All residents with pets have paid a pet deposit for their suite. Pets should not be going to other resident suites as those suites do not have a pet deposit.

8.2- Tax Deductions for donations given to the Centre: all donations receive a tax donation receipt as long as the donation is not made anonymously.

9. Administration Sharing:

9.1 – Resident Surveys: Results will be presented at the Resident Forum. Paper copies will be available. The Resident Forum will be held in the Auditorium on Wednesday, March 23rd at 1pm. Fire safety and evacuation will be explained.

9.2 – Annex Renovations: Near completion- slightly delayed due to the addition of the laundry room flooring. The puzzle room floor will be completed as well, which will result in another closure of the laundry room. Please watch for notices regarding this closure. Appreciation was expressed by a member of the RCC for the work that was done in the annex and the lack of disruption to the residents.

9.3 – Community Committee Member List: all members present have agreed to be added to the Community Committee Member List. The intention of this list is to allow the residents of the Centre to identify members of the Resident Community Committee (RCC) if they may need to bring a comment or concern to the monthly meetings. This list will be posted on the RCC board.

9.4 – Elevator Moves: a complaint was made regarding the usage of the elevators for move ins and move outs during meal times. Patricia will be sure to inform future new tenants and residents moving out that the elevator cannot be held during high traffic times.

9.5 – Rubber Tree: the rubber tree fell over on the night of March 15th. We will be working on reconfiguring the tree and revitalizing the area. The rubber tree cannot be anchored to the railings as it was in the past as this is a major safety hazard. These trees do not grow straight up naturally which may have been the cause of the fall. The Norfolk Pine will also be pruned to prevent it from falling as well.

Meeting Adjourned at 2:20 pm. Next meeting Wednesday, April 20, 2022 at 1:30pm in the FR Irwin Room.
