Our dedicated team remains steadfast in our pursuit of excellence, ensuring that every interaction exceeds your expectations. Your safety, health, and happiness continue to be our utmost priorities.

Looking ahead, I am excited to announce some upcoming events that will further enrich our community. **On Wednesday, May 1st at 2:00 pm, we will host a Fire Safety Presentation in the auditorium.** I encourage all residents to attend this important session as we enhance our collective awareness and preparedness. Additionally, for those who have registered for the Covid-19 Vaccination, please note that the vaccination is scheduled for **Thursday, May 2nd, from 10 am to 3 pm in the auditorium.** Please mark your calendars to ensure you don't miss this crucial opportunity.

As we embrace the beauty of spring and all its blossoming wonders, I want to take a moment to recognize the incredible Mothers among us. Your boundless love, nurturing spirit, and unwavering strength are the pillars of our families and our community. May this Mother's Day be a special celebration of your immeasurable contributions and the love you so generously share. Your presence enriches our lives in countless ways, and today, we honor and cherish you.

In closing, I extend my heartfelt wishes for the month of May to be filled with prosperity, good health, and cherished moments. Let us continue to embark on this journey together, supporting one another and building a community filled with warmth and kindness. Lastly, it is with regret to inform you that Lana, our Food Services Manager, is no longer with us at the Center. We wish her the best on all her future endeavors and express our gratitude for her time here.

The Maintenance Department will be performing routine testing of the building's emergency generators. Elevators may be out of service, ONE AT A TIME for short periods of time during the testing.

UNDERGROUND PARKING CLEAN UP

Please be advised that on **Friday, May 10th**, the East and West underground parkades will undergo cleaning. This process will take all day, resulting in residents/staff being unable to access their assigned parking spots. Please make alternative parking arrangements towards the west side of the building. Cleaning will start at approximately 8 am and is anticipated to conclude by 4:30 pm. We appreciate your cooperation and understanding.

RECYCLING

A gentle reminder to all residents for safety reasons and to facilitate the recycling process, kindly refrain from opening the recycling bins to retrieve bottles. Moreover, please avoid leaving cans and bottles at fellow residents' suite doors. Recycling bins are conveniently located on the main floor for paper and bottles, with a larger bin situated at the West side of the building designated for cardboard recycling. It has been clarified that the housekeeping team is responsible for collecting and storing all bottles recycled in the main floor receptacles. The proceeds generated from this recycling initiative are allocated to pay for some special events at the Centre. Thank you for your cooperation.

COMMON SPACES

Please remember that common areas are not meant for leaving donations, furniture, or clothing for others to take. While sharing is thoughtful, these spaces have limited room and are not designated for these items.

To keep our environment neat and orderly, we recommend using proper channels for donating or discarding unwanted items. This practice helps us preserve the cleanliness and functionality of our shared spaces, benefiting all residents.

FIRE SAFETY PRESENTATION

A fire safety presentation conducted by the Edmonton Fire Department is scheduled for **May 1st at 2pm in the auditorium**. During the presentation, attendees will learn important fire safety tips and procedures to keep themselves and others safe in case of an emergency. This is a valuable opportunity to enhance your knowledge and preparedness for potential fire incidents. Be sure to mark your calendars and join us for this informative presentation.

SUSAN'S NEWS

Susan's notices are located in the planting room (between games & tv rooms) and between the piano and west elevators on the main floor.

Outdoor common areas

As we head into nicer weather and gardening season, I remind everyone we are all stewards of the common areas that make up your home. Mindfulness extends to how we affect each other in our actions or lack thereof. Respecting others and our surroundings ensures your home is a place of enjoyment. There are garbage cans, brooms, and dustpans available in each area.

Gardeners

The gardeners notice board is in the planting room. This is the area between the Games room and TV room. Seed Giveaway is Thursday May 2 from 12-2 PM in the planting room.

NOTE to all gardeners. The individual garden box tops will be sanded and stained by May 10th. When volunteers are working, the garden will be closed off.

Volunteers

Watch the notice boards for new postings of tasks to complete. Most of the outdoor cleanup tasks have been done and we now wait for the arrival of plants to enjoy over the summer.

Tower Gardens

The tower gardens in the planting room will be winding down this month and start up again in the fall.

Exercise Room and Fitness

Welcome to our newest segment where we will feature a member of our St. Andrew's Centre team once a month!

What is on your bucket list?

One thing on my bucket list that I'm determined to accomplish is jumping out of a plane. The idea of skydiving both terrifies and exhilarates me, and I believe it would be the ultimate test of courage and adrenaline rush.

Who is your role model in your life?

My mother has been my guiding light, showing me the power of love, resilience, and compassion. Her influence has shaped me into who I am today, and I'm forever grateful for her presence in my life. She's not just my role model; she's my hero.

If I could live anywhere in the world, where would I choose to reside?

I envision my perfect spot as a cozy cabin tucked away in the mountains. I love the peace and beauty of nature, with breathtaking views of grand mountains and landscapes. And of course, there should be a serene lake nearby!

5.1 Chair Pads in Atrium

5.2 Recycling

5.1 There is a concern that the Chair Pads on the Atrium chairs are very dirty and not being cleaned on a regular basis. Residents would like to see them cleaned on a regular schedule. This will be brought to Correne.

5.2 Residents are wondering why more is not being done regarding recycling. It was explained that a more in-depth recycling program had occurred a few years ago but was not successful as residents did not follow instructions on how to properly recycle, even after several reminders and it became a health and safety concern for residents and staff alike, so it was discontinued.

Recycling receptacles remain on the main floor for paper and bottles. There is also the larger bin on the back side of the building where cardboard can be recycled. It is up to residents to manage their recycling.

It was clarified that all the bottles that are recycled in the main floor receptacles are collected and stored by the housekeeping team and then the monies collected are put into a fund for the centre. It was suggested that perhaps to the newsletter a note could be added explaining where the funds go.

6. Business arising for the last meeting/old business.

6.1 Vending Machines

6.2 Bank Machine

6.1 Vending machines are not the most viable option for the centre. They are expensive to maintain and may be redundant as both the Garden Café and the Tuck Shop sell snack items.

6.2 Correne is still exploring options for the possibility of having one of the major banks provide an ATM in the centre rather than the private company that is currently being used.

7. Standing Agenda Items

7.1 Food Services

7.2 Maintenance / Housekeeping

7.3 Social/ Leisure Activities

7.4 Security

7.5 Administration

7.1 A resident expressed concern that the Mother's Day dinner menu is not traditional enough or appealing to a wide range of people. They are worried that people will not enjoy the meal and maybe there should be a turkey, roast, or ham option.

The wording of the menus should be clearer, for example "Pork Drumsticks" the changes are appreciated but many do not know what some items are.

Some feel that options should be different, for example both dinner options are beef or pork. It is felt that there should always be two different choices.

There was a request for bigger water glasses, it was explained that they are not always available due to supply demands, and it was suggested that perhaps residents could bring their own glasses or water bottles which would also assist with less plastic to recycle.

Compliments were made about the food being good and that the new "cashiers" are doing great and friendly.

7.2 No Items to discuss.

- 7.3 Reminder to always check bulletin boards for activities and updates.
- 7.4 No items to discuss.
- 7.5 No items to discuss.

8. New Business (Suggestions Box / Committee Concerns)

- 8.1 Christmas Age Restriction
- 8.2 Decorations in the Alcoves/ Elevator Lobbies
- 8.3 Music in the Atrium

8.1 Although still a time frame away, it was suggested that we limit our Christmas Dinner Event to individuals 15yrs old and up and no longer allow small children to attend, it was felt that it is a safety concern to have small ones “running” around. All attendees of the meeting except for one did not agree and felt that small children should be allowed to attend as it is the Christmas “get together” for many families. It was felt that parents need reminders to supervise their children.

8.2 Decorations and postings are not permitted in the alcoves or elevator lobbies unless approved by the centre. Any items put up or out will be removed, residents are reminded that we do have a bulletin board for resident postings and that you are always welcome to decorate your suite door, balcony, and personal space.

8.3 The music being played in the atrium area by a resident is enjoyed by many and not by a few. It will continue with time restrictions, and it was suggested that it be moved to the game room or pink room as when it is being played in the main atrium area (by the Garden Café) residents and visitors find it difficult to converse.

9. New Business

- 9.1 Underground Parking Clean

9.1 A reminder from administration that the Underground parking lots will be swept and cleaned on May 10th from 8am-4:30pm. All residents must remove their vehicles for the duration. Make plans for your vehicle before the morning of, perhaps park in the outside lots the night before to ensure you find a place.

Next Meeting: Wednesday May 15th at 1:30pm in the Father Irwin Room
